**CONSENT TO TREAT**

I have received information about my condition and proposed chiropractic treatment program as well as alternative courses of benefits, the risks and the side effects of the treatment and consequences of not having the proposed treatment. I understand that, as in all health care, in the practice of chiropractic there are some risks to treatment, including but not limited to muscle strains and sprains, fractures, dislocations, disc injuries and strokes. I do not expect the doctor to be able to anticipate or explain all the risks. I wish to rely on the doctor to exercise judgment during the course of the treatments which they feel at the time, based upon what is known, is in my best interest. My doctor has responded to a of my requests for information about the proposed treatment. I have, or have had read to me, the above consent. I have also had the opportunity to ask questions about its consent. By signing below, I authorize treatment.

**ACKNOWLEDGEMENT OF FINANCIAL LIABILITY**

I understand that I may be financially responsible for any charges incurred at this office, including co-payments, deductibles, all collection and/or legal fees on any unpaid account referred for collection, and charges denied or not covered by my insurance company. I realize my car may be subject to pre-authorization by the insurance company, and I accept any responsibility for charges, which may not be approved. The insurance company will review any/all documentation submitted by Grand Island Chiropractic for review for medical necessity and base their approval/denial upon this documentation. Insurance policy limitations are per individual insurance policy plans, as are co-payments, co-insurance, deductibles, referrals etc. I understand that this office agrees to notify me if a service is not covered and will notify me if the insurance company does not approve my care as soon as possible. If a treatment plan is approved, this office will make me aware of the number of office visits allowed. Initial visits may be denied and this may be beyond the office's ability to notify the patient prior to rendering acute care, while waiting for the insurance coverage approval. These charges will be the patient's responsibility if denied by the insurance company.

This office may seek payment from you for any services your health insurance plan determine to be not medically necessary. I have read and understand my obligations for payment for care in the absence of insurance coverage.

**TO THE CLAIMANT**

Workers' Compensation Board Regulation 325-1.23 permits your doctor or therapist to request that you sign this A-9 notice. By signing this notice, you acknowledge your obligation to pay the provider's fees for the services you receive if it turns out that such fees are not legally required to be paid by your employer or its workers' compensation insurance carrier and if such fees are not covered by other insurance. The employer or carrier may not be required to pay the doctor's fees if, for example, you fail to file a claim for workers' compensation, or fail to notify your employer of your injury or illness, or fail to attend a Board hearing if your employer challenges your right to benefits. Even if you make all required efforts to prosecute your claim, the Workers' Compensation Board may still find that you are not entitled to benefits. In such cases, this notice advises your health provider that you acknowledge your personal liability for payment of his/her bills.

**Workers' Compensation Law Section 32**

The A-9 notice also covers instances in which a claimant with an existing valid workers' compensation case comes to an agreement with his/her employer or its insurance carrier settling his/her case in accordance with Section 32 of the Workers' Compensation Law. A Section 32 agreement may include a provision which relieves the employer or carrier of the liability to pay future medical bills associated with the case. Your health care provider may ask you to sign this A-9 notice to insure that you acknowledge your personal liability for payment of his/her bills if you have waived your right to future medical benefits under a Section 32 agreement.

If you have any questions, contact your attorney or licensed hearing representative, if you have one. You may also contact your local district office of the Workers' Compensation Board.

**TO THE HEALTH CARE PROVIDER**

This notice is meant to advise the workers' compensation claimant that he/she may be responsible for payment. Failure of the claimant to sign this form does not relieve the provider of the obligation to treat the claimant, nor does it negate the claimant's responsibility for payment.

Keep the original of this form for your records and give a copy to the claimant. Do not file with the Workers' Compensation Board. You will receive Notices of Decisions in which the compensability of a claim, authorization of treatment, or payment of medical bills is included. You will also be notified if the claimant submits a Section 32 Agreement with the Board for approval. Do not bill the claimant unless and until you receive a Board decision finding that 1) claimant failed to prosecute the claim, or 2) the claim is denied, or 3) the treatment is not causally related to the work injury, or 4) a Section 32 agreement relieving the carrier of liability for medical treatment is approved.
